# NOTICE OF REGULAR MEETING AGENDA OF THE BOARD OF TRUSTEES CUSHING MUNICIPAL AUTHORITY TUESDAY FEBRUARY 18, 2025 7:00 PM CUSHING CITY HALL 100 JUDY ADAMS BLVD.

#### THE BOARD MAY DISCUSS, CONSIDER, AND VOTE ON ANY ITEM LISTED ON AGENDA IN ANY ORDER:

#### 1. Call to Order

- a. Roll Call
- b. Declaration of Quorum

#### 2. Public Input and Unscheduled Personal Appearances

Citizens wishing to participate in Public Input may either email comments to citymanager@cityofcushing.org by 12:00 pm (noon) on February 18, 2025 or if desiring to make in-person comments, sign up to do so by 4:00 pm on the day of the meeting, in the City Manager's office. Only one type of public comment will be allowed per person. Written comments received by the deadline and conforming to the rules will be read into the record. All comments are limited to three (3) minutes in length and must be about a current agenda item. Comments must also meet the rules of decorum (no personal attacks, foul language, disruptive behavior, etc.) Commentors must include their full name, address, and the agenda item being addressed on their email or sign-up form. The purpose of the agenda is to provide citizens an opportunity to comment on agenda items. Commissioners and staff will not engage in discussion or offer input during this part of the agenda. Responses to comments, if any, will occur under the appropriate agenda item or in follow-up communication.

#### 3. Consent Agenda

- a. Approve claims and payroll totaling: \$1,051,552.53
- b. Approve minutes: January 21, 2025 (Regular)
- c. Authorize the purchase of diesel fuel for the Power Plant and expend up to \$25,000.00.
- d. Approve budget amendment: Amend the FY 2024/2025 budget for the GRDA donation for the Electric Distribution Department to reflect both revenue and expense.
- e. Approve budget amendment: Amend the FY 2024/2025 Engineering operating budget.
- f. Authorize the City Manager to issue a purchase order to Micro-Comm in an amount up to \$21,505.00 for upgrades to the electrical and control system for well no. 9, for the Water Treatment Plant and to authorize payment.
- g. Authorize the City Manager to approve the payment processing agreement with Tyler Technologies for online and in-person credit card payments made for the CMA.
- h. Authorize the City Manager to issue a purchase order to TESCO Nighthawk in the amount of \$116,473.48 for the purchase of meters, for the electric AMI system, for the Electric Distribution Department and to authorize payment.
- Acknowledge receipt of Oklahoma Environmental Quality Permit No. WL000060240896 for the construction of 1290 linear feet of eight (8) inch PVC potable water line and all appurtenances to serve the E. 4<sup>th</sup> Street (S Independence Ave. to S. Highland Ave.) Improvements, Payne County, Oklahoma.

- j. Acknowledge receipt of Oklahoma Environmental Quality Permit No. WL000060240895 for the construction of 694 linear feet of eight (8) inch PVC potable water line and all appurtenances to serve the E 3<sup>rd</sup> Street (S. Thompson Ave to S Independence Ave) Improvements, Payne County, Oklahoma.
- k. Recognize non-pay utility report for City operations and public facilities for 1/31/25 billing period.
- 1. Recognize statement of cash and investments as of January 31, 2025.

#### 4. Items Removed from Consent Agenda

#### 5. General Business

a. Authorize the City Manager to execute Work Order No. 23-01C in an amount up to \$103,500.00 for engineering and construction services associated with the relocation of existing electric distribution infrastructure in conflict with the proposed widening of State Highway 18 within the city limits of the City of Cushing, and to authorize payment.

#### 6. Resolutions

- a. **RESOLUTION NO. 02-2025:** A resolution authorizing and directing the Chairman, Board of Trustees, to execute a revised Utility Relocation Agreement with the Oklahoma Department of Transportation for CMA owned sanitary sewer utilities as part of the State Highway 18 Improvement Project (Project No. STP-260B (085) UT).
- b. RESOLUTION NO. 03-2025: A resolution authorizing and directing the Chairman, Board of Trustees, to execute Utility Relocation Agreements with the Oklahoma Department of Transportation for CMA owned electrical utilities as part of the State Highway 18 improvement Project (project no. STP-260B(085)UT).
- 7. Other New Business, if any, which has arisen since the posting of the Agenda and could not have been anticipated prior to the time of the posting (25 O.S. §311 (9)).

#### 8. Executive Session

a. Executive Session pursuant to 25 O.S. §307(C)(11) to discuss matters pertaining to economic development, including financial assistance to entice a business for community economic benefit.

#### 9. Adjournment

Filed in the office of City Clerk and posted on the main lobby entrance door of City Hall at 3:30 PM on February 13, 2025.

Ryan Ochsner, City Manager

riça Worthy, City Clerk

# IN ACCORDANCE WITH THE OKLAHOMA OPEN MEETING LAW, THE AGENDA WAS POSTED JANUARY 17, 2025, AT 10:00 A.M. AT THE CUSHING CITY HALL, 100 JUDY ADAMS BOULEVARD, CUSHING, OKLAHOMA

#### MINUTES OF THE REGULAR MEETING CUSHING MUNICIPAL AUTHORITY HELD AT 100 JUDY ADAMS BLVD. JANUARY 21, 2025 7:00 P.M.

# THE BOARD MAY DISCUSS, CONSIDER, AND VOTE ON ANY ITEM LISTED ON AGENDA IN ANY ORDER:

- 1. Call to Order
  - a. Roll Call
  - b. Declaration of Quorum

The Regular Meeting of the Cushing Municipal Authority was called to order on January 21, 2025, by Chairman Roberson.

PRESENT: BRANYAN, ORTON, DOWELL, ROBERSON

ABSENT: LOFTON

2. Public Input and Unscheduled Personal Appearances
Citizens wishing to participate in Public Input may either email comments to
citymanager@cityofcushing.org by 12:00 pm (noon) on January 21, 2025, or if desiring to
make in-person comments, sign up to do so by 4:00 pm on the day of the meeting, in the
City Manager's office. Only one type of public comment will be allowed per person. Written
comments received by the deadline and conforming to the rules will be read into the record.
All comments are limited to three (3) minutes in length and must be about a current agenda
item. Comments must also meet the rules of decorum (no personal attacks, foul language,
disruptive behavior, etc.) Commentors must include their full name, address, and the
agenda item being addressed on their email or sign-up form. The purpose of the agenda is
to provide citizens an opportunity to comment on agenda items. Commissioners and staff
will not engage in discussion or offer input during this part of the agenda. Responses to
comments, if any, will occur under the appropriate agenda item or in follow-up

#### 3. Consent Agenda

communication.

- a. Approve claims and payroll totaling: \$979,352.12
- b. Approve minutes: December 12, 2024 (Special)
  December 16, 2024 (Regular)
- c. Authorize the purchase of diesel fuel for the Power Plant and expend up to \$25,000.00.
- d. Authorize the City Manager to issue a purchase order to Altec Industries, Inc., in the amount of \$163,816.00 for the purchase of one (1) 2024 AT-37G Series Ford F550 Bucket Truck for Electric Distribution and to authorize payment.
- e. Recognize non-pay utility report for City operations and public facilities for 12/31/24 billing period.
- f. Recognize statement of cash and investments as of December 31, 2024.

MOTION: A MOTION WAS MADE BY TRUSTEE BRANYAN TO APPROVE THE CONSENT AGENDA AS PRESENTED. THE MOTION WAS SECONDED BY TRUSTEE ORTON AND RESULTED IN THE FOLLOWING ROLL CALL VOTE.

AYES: BRANYAN, ORTON, DOWELL, ROBERSON

**NAYS: NONE** 

4. Items Removed from Consent Agenda

None.

#### 5. General Business

a. Authorize the City Manager and Chairman, Board of Trustees to execute an agreement for the purchase of real estate with E-Z Ice, Inc., an Oklahoma Corporation.

MOTION: A MOTION WAS MADE BY TRUSTEE BRANYAN TO TABLE AGENDA ITEM 5A. THE MOTION WAS SECONDED BY TRUSTEE ORTON AND RESULTED IN THE FOLLOWING ROLL CALL VOTE.

B.J. ROBERSON, CHAIRMAN CUSHING MUNICIPAL AUTHORITY

(SEAL)

ATTEST:

JERRICA WORTHY, SECRETARY

TO THE HONORABLE CHAIRMAN AND MEMBERS OF THE CITY COMMISSION / TRUSTEES OF THE CUSHING MUNICIPAL AUTHORITY / TRUSTEES OF THE CUSHING HOSPITAL AUTHORITY

Date of Meeting:

February 18, 2025

Agenda Item No:

3d

Subject:

Amend FY 24/25 CMA (Fund 250) Budget for the receipt of GRDA

award and corresponding expenditure.

Staff Resources:

Jerrica Worthy, Finance Director

#### I. Summary

CMA recently received and deposited a donation from GRDA in the amount of \$2,500.00. The awarded balance is to be used to install LED lighting at the Sports Complex. Accordingly, Staff proposes receipting the balance as a donation revenue and expending the balance out of the Electric Distribution's "Street and Security Lights" departmental operating line item. Staff recommend the following budget amendments. Net \$0 impact on the FY 24/25 budget.

#### II. Fiscal Impact

Account 250-4075: DONATIONS

Original Budget: \$0.00

Amended Budget: \$2,500.00

#### Account 250-505-3483: STREET/SECURITY LIGHTS

Original Budget: \$35,000.00 Amended Budget: \$37,500.00

#### III. Recommended Action

Suggested Motion: Motion to approve budget amendment as part of the consent agenda.

<sup>\*</sup>Increase budget by \$2,500.00

<sup>\*</sup>Increase budget by \$2,500.00

TO THE HONORABLE CHAIRMAN AND MEMBERS OF THE CITY COMMISSION / TRUSTEES OF THE CUSHING MUNICIPAL AUTHORITY / TRUSTEES OF THE CUSHING HOSPITAL AUTHORITY

Date of Meeting:

February 18, 2025

Agenda Item No: 3e,

Subject:

Amend FY 24/25 CMA Fund Budget to fund personnel cost within the

Engineering operating budget.

Staff Resources:

Jerrica Worthy, Finance Director

#### I. Summary

Due to increased personnel expenses, associated with the Engineering operating budget, a budget amendment is needed to ensure appropriate funding. This increase will have an impact on three separate line items within tier 1 of the departmental budget for a total budgetary increase of \$15,200. This amendment will impact the overall FY 24/25 budget by increasing the overall budget deficit by \$15,200. The following budget amendments are proposed.

#### **II. Fiscal Impact**

#### Account 250-504-1010: REGULAR SALARIES

Budget: \$163,750.00

Amended Budget: \$176,250.00

\*Increase budget by \$12,500.00

#### Account 250-504-1040: RETIREMENT

Budget: \$17,000.00

Amended Budget: \$1,500.00

\*Increase budget by \$18,500.00

#### Account 250-504-1040: SOCIAL SECURITY

Budget: \$12,750.00

Amended Budget: \$1,200.00

\*Increase budget by \$14,750.00

#### III. Recommended Action

Suggested Motion: Motion to approve budget amendment as part of the consent agenda.

TO THE HONORABLE CHAIRMAN AND MEMBERS OF THE CITY COMMISSION / TRUSTEES OF THE CUSHING MUNICIPAL AUTHORITY / TRUSTEES OF THE CUSHING HOSPITAL AUTHORITY

Date of Meeting: February 18th, 2025

Agenda Item No: 34

Subject:

Well #9 Electrical Upgrades - Water Treatment Plant

Staff Resources:

Ryan Ochsner, City Manager

Derek Griffith, Assistant City Manager

James Landis, Water Treatment Plant Superintendent

#### I. Summary

Over the past several years the water treatment plant has been working to update electrical and control systems at select wells in our system. The work included in this proposal includes complete replacement and upgrade of the electrical components for the well along with control devices that communicate with the plant over telemetry. This project was planned for this year in the budget and will complete the work at this well site. Staff solicited quotes from two vendors. One of the respondents, Micro-Comm, has done the most recent work on our system. A third vendor was considered but they were unable to provide the work needed. Cost proposals are included in the tab below:

VENDOR	QUOTE
Micro-Comm	\$21,505.00
Edwards Equipment	\$25,050.00

#### II. Fiscal Impact

This action will not create a negative budgetary impact. Adequate funding was approved within the FY 25/25 Capital Improvement Plan to facilitate the purchase. (252-500-5498) Water Well Cabinet Replacement - Water Plant

#### III. Recommended Action

Authorize the City Manager to issue a purchase order to Micro-Comm in an amount up to \$21,505.00 for upgrades to the electrical and control system for well no. 9, for the Water Treatment Plant and to authorize payment.

Date:

January 31st, 2025

Project:

Cushing, OK

Well 9 VFD Panel DANFOSS

Estimator: Jeremy Martens

Quote: MCQ25008

#### **Proposal Clarifications:**

- 1. This proposal includes a 1 year warranty on the Danfoss VFD
- 2. This proposal includes a start-up trip for the VFD panel
- This proposal includes interfacing to existing devices. This proposal does not include repair or replacement of non operational devices (e.g. Starters, Valves, Analyzers, etc.), unless specifically listed in "Scope of Supply".

#### Terms:

- 1. Payment terms are net 30 days from date of shipment.
- 1a. Two week notice and full payment (less retainage) are required for startup of equipment.
- 1b. Does not include taxes, insurance or bonding. Proposal will be good for 60 days.
- 2. 10% Retainage is not to exceed 6 months from date of start-up/acceptance of the SCADA control system.
- 3. This control system provides PILOT DUTY signals to control panels and devices by others. Primary devices, i.e. motor starters/VFDs, circuit breakers, control valves, and flow meters are not included unless specifically listed in this quotation

#### **Proposed Scope of Supply:**

#### (1) VFD Control Panel

#### Well 9

#### VFD panel to include:

Qty Description

- 1 Hoffman Nema 3R Enclosure
- 1 Danfoss Aqua Drive FC-202 VFD (listed below)
- 1 VLT Line Reactor MCC 103
- 1 Panel Disconnect
- 1 Misc Panel Breakers
- 1 480/120VAC Transformer
- 1 Duplex Outlet
- 1 Pfannenberg FLZ 530Temperature Controller
- 1 Pfannenberg PF 32000 R Filterfan, 115V, 65 CFM
- l Pfannenberg PFA 30000 Exhause side filter
  - The following items will be shipped separately for field mounting:
- 1 Engineering, Programming, & Testing
- 1 Five Year Parts and Labor Warranty on New Micro-Comm RTU

# CITY OF CUSHING

#### TO THE HONORABLE CHAIRMAN AND MEMBERS OF THE CITY COMMISSION

Date of Meeting: February 18, 2025 Agenda Item No: 3g

Subject: <u>To authorize the City Treasurer to execute a Payment Processing Agreement with Tyler Technologies</u>

Staff Resources: Diane Barnett, Darla Huckabay, Jerrica Worthy and Jonathan Huseman

Summary: Authorize City Manager to execute a Payment Processing Agreement with Tyler Technologies for online and in person credit card payments which are made for the purpose of obligations due to the City or CMA. Our current provider, Elavon, will no longer be supported by Incode, which is our software provider for many of the City functions. Tyler Pay was selected as our new provider due to the overall good service we have received in the past from Tyler. This will make integration of credit card payments hitting the correct accounts nearly flawless. Each department that has payments processed with credit cards will be able to ascertain fees are being charged correctly due to real-time application and the balancing process more streamlined. Tyler Pay also has "tap to pay" devices which have been requested numerous times by our customer base.

Attached is a copy of the proposed contract that lists the fees associated with Tyler Pay.

Suggested Motion: A motion to approve the Payment Processing Agreement with Tyler Technologies for all credit card transactions for City and CMA utility payments and other obligations.

TO THE HONORABLE CHAIRMAN AND MEMBERS OF THE CITY COMMISSION / TRUSTEES OF THE CUSHING MUNICIPAL AUTHORITY / TRUSTEES OF THE CUSHING HOSPITAL AUTHORITY

Date of Meeting: February 18th, 2025

Agenda Item No: 3h

Subject: AMI Electric Meter Purchase

Staff Resources: Ryan Ochsner, City Manager

Derek Griffith, Assistant City Manager

Mike Starks, Electric Distribution Superintendent

#### I. Summary

During the installation of the final meters for the electric AMI system it has been determined by our distribution division that additional meters are needed to complete the installation. Our original allotment request was a best guess as to the total amount needed based on the available data at the time. Staff did anticipate the possible need for additional meters and after the work that has taken place towards completion, we can now verify the actual number of meters needed to facilitate the final installations.

#### II. Fiscal Impact

This will not create a negative impact. Staff has completed a transfer within the capital project plan to reallocate funding from the AMI water project to fund this purchase. We are awaiting completion of the electric before beginning the water portion of the system. That work will not begin until the next fiscal year and therefore will have no effect on that project.

#### III. Recommended Action

Authorize the City Manager to issue a purchase order to TESCO Nighthawk in the amount of \$116,473.48 for the purchase of meters for the electric AMI system for the Electric Distribution Department and to authorize payment.

TO THE HONORABLE CHAIRMAN AND MEMBERS OF THE CITY COMMISSION / TRUSTEES OF THE CUSHING MUNICIPAL AUTHORITY / TRUSTEES OF THE CUSHING HOSPITAL AUTHORITY

Date of Meeting:

February 18th, 2025

Agenda Item No: 31,31

Subject:

Acknowledgement of ODEQ Permits for Waterline Replacement

Relating to Street Repair Projects for 3rd and 4th Streets

Staff Resources:

Ryan Ochsner, City Manager

Derek Griffith, Assistant City Manager

Chad Greiser, PE, PEC

#### I. Summary

Staff has been working with our partners from Professional Engineering Consultants (PEC) to finalize plans for the street repairs identified in the budget for FY 24/25. As part of that process, permits for the waterline replacement at 3rd and 4th streets were required prior to the bidding process. PEC applied for those permits on our behalf and we have received notification from ODEQ that they have been approved. The approved permits require acceptance by the Trustees, and we are requesting that action as part of this agenda. If you recall, the projects for 3rd and 4th streets were last on the priority list but we desire to have all necessary documentation in place in the event funding is available to complete the project(s).

#### II. Fiscal Impact

No impact.

#### III. Recommended Action

Acknowledge receipt of permits related to water line replacement for both the 3rd and 4th street improvement projects.

Kevin Stitt Governor

Mr. Derek Griffith, Interim City Manager Cushing Municipal Authority 100 Judy Adams Blvd. Cushing, Oklahoma 74023

Re:

Permit No. WL000060240896

E. 4th Street (S. Independence Ave. to S. Highland Ave.) Improvements

PWSID No. 2006061

Dear Mr. Griffith:

Enclosed is Permit No. WL000060240896 for the construction of 1290 linear feet of eight (8) inch PVC potable water line and all appurtenances to serve the E. 4th Street (S. Independence Ave. to S. Highland Ave.) Improvements, Payne County, Oklahoma.

The project authorized by this permit should be constructed in accordance with the plans approved by this Department on January 03, 2025. Any deviations from the approved plans and specifications affecting capacity, flow or operation of units must be approved, in writing, by the Department before changes are made.

Receipt of this permit should be noted in the minutes of the next regular meeting of the Cushing Municipal Authority, after which it should be made a matter of permanent record.

We are returning one (1) set of the approved plans to you, one (1) set to your engineer and retaining one (1) set for our files.

Respectfully,

Ginger Sharkness, P.E. Construction Permit Section Water Quality Division

PERMIT No. WL000060240896

WATER LINES

PWSID No. 2006061

#### PERMIT TO CONSTRUCT

January 03, 2025

Pursuant to O.S. 27A 2-6-304, the Cushing Municipal Authority is hereby granted this Tier I Permit to construct 1290 linear feet of eight (8) inch PVC potable water line and all appurtenances to serve the E. 4th Street (S. Independence Ave. to S. Highland Ave.) Improvements, located in S/2 of section 3, T-17-N, R-5-E, Payne County, Oklahoma, in accordance with the plans approved January 03, 2025.

By acceptance of this permit, the permittee agrees to operate and maintain the facility in accordance with the Public Water Supply Operation rules (OAC 252:631) and to comply with the State Certification laws, Title 59, Section 1101-1116 O.S. and the rules and regulations adopted thereunder regarding the requirements for certified operators.

This permit is issued subject to the following provisions and conditions.

- 1) A fire flow of 1,000 gpm is needed in accordance with the 2009 International Fire Code. A reduction to 810 gpm has been accepted by the local fire marshal via letter.
- 2) That the recipient of the permit is responsible that the project receives supervision and inspection by competent and qualified personnel.
- That construction of all phases of the project will be started within one year of the date of approval or the phases not under construction will be resubmitted for approval as a new project.
- 4) That no significant information necessary for a proper evaluation of the project has been omitted or no invalid information has been presented in applying for the permit.
- 5) That the Oklahoma Department of Environmental Quality shall be kept informed on occurrences which may affect the eventual performance of the works or that will unduly delay the progress of the project.
- 6) That wherever water and sewer lines are constructed with spacing of 10 feet or less, sanitary protection will be provided in accordance with Public Water Supply Construction Standards [OAC 252:626-19-2].
- 7) That before placing this facility into service, at least two samples of the water, taken on different days, shall be tested for bacteria to show that it is safe for drinking purposes.
- 8) That any deviations from approved plans or specifications affecting capacity, flow or operation of units must be approved by the Department before any such deviations are made in the construction of this project.

(\$8,351,966) as of January 31, 2020.

TO THE HONORABLE CHAIRMAN AND MEMBERS OF THE CITY COMMISSION / TRUSTEES OF THE CUSHING MUNICIPAL AUTHORITY / TRUSTEES OF THE CUSHING HOSPITAL AUTHORITY

Date of Meeting: February 18th, 2025 Agenda Item No: 50

Subject: S.H. 18 Utility Relocation of Existing Electric Distribution

Infrastructure - Professional Engineering Consultants Work Order

No. 23-01C

Staff Resources: Ryan Ochsner, City Manager

Derek Griffith, Assistant City Manager

Chad Grisier, PE; Professional Engineering Consultants (PEC)

#### I. Summary:

This work order will facilitate the engineering, design and construction for the relocation of approximately 9,800 LF of overhead electric distribution lines associated with the Hwy. 18 widening and the agreement between the CMA and ODOT for the project. To date PEC has provided conceptual design and cost estimates for the project that has been utilized to develop the agreement with ODOT for consideration as a separate item. Work order agreements with PEC have already been approved by the Trustees for water and sanitary sewer relocations in relation to the roadwork. This is the final agreement for relocations and will allow staff to proceed with project.

#### II. Fiscal Impact:

This will not create a negative impact. Staff has completed a transfer within the capital project plan to reallocate funding from the ODEQ lime remediation project to fund this item. Work on the lime remediation project for the water treatment plant will not begin this fiscal year and therefore will have no effect on that project.

#### III. Recommended Action:

Authorize the City Manager to execute Work Order No. 23-01C in an amount up to \$103,500.00 for engineering and construction services associated with the relocation of existing electric distribution infrastructure in conflict with the proposed widening of State Highway 18 within the city limits of the City of Cushing, and to authorize payment.

#### WORK ORDER NO. 23-01C

This Work Order No. <u>23-01C</u> is made as of this _	day of, 2025, under the terms
and conditions established in the Master Agreement	between Client and Professional Consultant dated
March 20, 2023 (the "Master Services Agreement" l	petween Cushing Municipal Authority (Client) and
<u>Professional Engineering Consultants, P.A.</u> (PEC).	Except to the extend modified herein, all terms and
conditions of the Master Services Agreement shall c	ontinue a full force and effect.
SECTION A – SERVICES	
See attached "Exhibit B".	
SECTION B - SCHEDULE	
See attached "Exhibit B".	
SECTION C – COMPENSATION	
In return for the proper performance by Consultant of	f its Services, Client shall pay to PEC according to
the following: See Attached "Exhibit B".	
SECTION D - OTHER PROVISIONS	
The parties agree to the following additional provision	ons with respect to this Work Order:
None.

#### SH-18 ELECTRICAL UTILITY RELOCATION EXHIBIT B

#### A. Project Description.

- 1. The Project shall consist of utility relocation design services for existing overhead electrical in conflict with the proposed widening of State Highway 18 within the city limits of the City of Cushing, Oklahoma.
- 2. The Project is located parallel to SH-18 beginning at the intersection of North Street and continuing north to the intersection of Deep Rock Road.
- 3. The Project delivery method is design-bid-build.

#### B. Anticipated Project Schedule.

- 1. PEC shall commence its services on the Project within 7 days after receiving approved Work Order issued by Oklahoma Department of Transportation (ODOT).
- 2. PEC and CLIENT anticipate the design duration to complete construction documents will be approximately 6 months after receiving Notice to Proceed.
- 3. CLIENT acknowledges that directed changes, unforeseen conditions, and other delays may affect the completion of PEC's services. PEC will not have control over or responsibility for any contractor or vendor's performance schedule.

#### C. Project Deliverables.

- 1. This Project Deliverables shall consist of the following sealed by an Engineer licensed in the State of Oklahoma where applicable:
  - a) Preliminary Plans and Specifications for review by CLIENT and ODOT.
  - b) Final Plans and Specifications.

#### D. Scope of Services.

- 1. Project Management Services:
  - a) Attend pre-design field meeting with CLIENT and ODOT representative for project coordination.
  - b) Conduct one pre-design site visit to assess existing conditions.
  - c) Participate in a kickoff meeting to discuss project improvements.
  - d) Attend up to two (2) progress design meetings with CLIENT.
  - e) Identify all utilities within the project limits and coordinate resolution of potential conflicts with each company.
  - f) Full Quality Control review by an independent (PEC) engineer with no involvement with the project at each milestone submittal. Review will include: general design, easements/access, coordinates, stationing, grades, utility conflicts, and specifications.

#### 2. Topographical Survey Services:

- a) Collection of field topo, boundary, and utilities is not included. Utility relocation design will be based on survey and highway improvement design plans, provided by ODOT.
- b) Provide aerial and lidar mapping of project limits to support the Electrical Design Services.

#### 3. Electrical Relocation Design Services:

- a) Design and specify new poles to be installed within predetermined distance of the right of way as provided by the Utility Coordinator in their Field Meeting Report.
- b) Design to include extents of existing distribution and transmission along N. Little Ave. from North St. heading north to Deep Rock Rd.
- c) Provide a complete set of construction drawings and details, including Cover Sheet, key map, plan, coordinate geometry data, and associated details.
- d) Drawings to include and specify all structural elements, insulators, arrestors, terminators, and other needed ancillary equipment including conduit transitions utilizing RUS Standard details and specifications.
- e) Plan drawings to show installation of new poles and demolition of existing poles as needed to meet right of way criteria.
- f) Relocation of existing light poles utilizing City of Cushing fixture specifications.
- g) Refeed or relocate any existing riser poles and secondary distribution.
- h) Include coordination notes for the relocation of existing communications along overhead distribution poles.
- g) Provide Engineer's opinion of probable construction cost.

#### 4. Bidding Services including:

- a) Prepare project specifications including front-end bidding/contract documents and technical specifications.
- b) Solicit bid responses from Contractors by advertisement on PEC's website.
- c) Perform bid opening, evaluate bids, and provide construction contract award recommendation.

#### 5. Construction Administration Services including:

- a) Respond to requests for information (RFIs) generated by the City staff.

  Response will be provided in 7 working days after received by PEC office unless other terms are agreed to by PEC and CLIENT.
- b) Consult with City staff regarding interpretations or clarifications of the plans and specifications.
- c) Provide decisions in accordance with the Contract Documents on questions regarding this work.
- d) Amend the conformed to bid documents with As-Built information provided by CLIENT and Contractor. As-Built drawings will be submitted to CLIENT for record.

#### E. Additional Responsibilities of CLIENT:

The CLIENT agrees to provide the following pursuant to PEC accomplishing the Scope of Services outlined herein.

- 1. Drawings, studies, reports, and other information available pertaining to the existing site.
- 2. Existing Overhead Conductor sizes for primary and secondary distribution.
- 3. Communications attacher contact information.
- 4. Utility Contact information.
- 5. Light fixture specifications.
- 6. Payment of any plan review and/or permitting fees.
- 7. Provide right of entry for PEC's personnel in performing site visits, field surveys, and inspections.
- 8. All coordination with landowners and/or tenants for temporary or permanent easements will be conducted by CLIENT.
- 9. Promptly review all preliminary study reports, drawings, recommendations, contract documents, and other data submitted by PEC, and to advise PEC of any desired corrections, modifications, or additions thereto.
- 10. Provide plan changes to PEC design team with adequate time to revise the documents or the submitted and notify PEC that said changes are coming with description of changes to help design team expedite the necessary adjustments.
- Pay PEC for authorized additional work associated with services not included in Exhibit 'B', or overages of the quantities outlined in Exhibit 'B'.

#### F. Additional Services:

The following services can be provided by PEC at an additional cost by Supplemental Agreement:

- 1. Release of electronic files.
- Meetings in excess of the number above will be performed on an hourly basis.
- 3. Analysis of existing utility systems.
- 4. Plan revisions, as necessary, to reduce the cost of construction after issue of Construction Documents. (Typically referred to "Value Engineering" or "VE".)
- 5. Additional survey necessary beyond the scope of the information within the ODOT data files available, to provide complete information for utility relocation design. Such information may be required for existing utility line location, depths, and flowline verification.
- 6. Geotechnical investigation and report with recommendations.
- 7. Landscape Design.
- 8. Platting and/or Zoning change processes.
- 9. Easement abandonments and dedications.
- 10. Construction Testing and Inspection.
- 11. Alternate designs not specifically listed in the Scope of Services, including any betterment of utility located beyond the limits of impact caused by the proposed ODOT improvements.
- 12. Develop supporting documentation and preparation of an ODOT Use of Right-Of-Way Permit for submission, if required.
- 13. Develop supporting documentation and preparation of a Railroad Use of Right-Of-Way Permit for submission, if required.
- 14. Develop erosion control plans and Storm Water Pollution Prevention Plan (SWPPP) and

supporting documentation for the preparation of a Notice of Intent (NOI) permit application for submission by the City to ODEQ.

#### G. Exclusions:

The following shall be specifically excluded from the Scope of Services to be provided by PEC.

- 1. Permitting/Application/Review Fees
- 2. Filing Fees
- 3. Franchise Utility Design.

#### H. PEC's Fees & Reimbursable Expenses.

- PEC will invoice CLIENT one time per month for services rendered and Reimbursable Expenses incurred in the previous month. CLIENT agrees to pay each invoice within 30 days after receipt.
- PEC's Fee for its Scope of Services will be on a standard hourly basis, at the rates established on the attached Rate Schedule plus Reimbursable Expenses not-to-exceed \$103,500.00. An estimated breakdown of the total aggregate fee is outlined below:

Project Management & Coordination	\$14,500.00
Drone Survey Services	\$7,000.00
Electrical Relocation Design Services	\$58,500.00
Construction Staking	\$5,500.00
Bidding Services	\$5,400.00
Construction Admin. Support	\$12,600.00
	\$103,500.00

- 3. Reimbursable Expenses shall include digital scanning and printing by outside firms, deliveries made by outside services, vehicle mileage or vehicle rental and fuel, vehicle parking and tolls, and review/application/filing/permit fees.
- 4. Taxes are not included in PEC's Fees. CLIENT shall reimburse PEC for any sales, use, and value added taxes which apply to these services.

TO THE HONORABLE CHAIRMAN AND MEMBERS OF THE CITY COMMISSION / TRUSTEES OF THE CUSHING MUNICIPAL AUTHORITY / TRUSTEES OF THE CUSHING HOSPITAL AUTHORITY

Date of Meeting: February 18th, 2025 Agenda Item No: 60

Subject: Revised Utility Relocation Agreement with ODOT for Project No.

STP-260B(085)UT relating to CMA Owned Sanitary Sewer Utilities

and Road Improvements on North Little Ave.

Staff Resources: Ryan Ochsner, City Manager

Derek Griffith, Assistant City Manager

Chad Grisier, PE; Professional Engineering Consultants (PEC)

#### I. Summary:

In the September 2024 regular meeting the Trustees approved and executed an agreement with ODOT for the relocation of sanitary sewer in conflict with road widening on north Little. Since that time staff has been made aware of an issue not identified during the preliminary work. At the southeast corner of Grandstaff and Little there is a septic tank and lateral lines that serve the structure on the property that is in the ROW needed to complete the road work. To resolve the issue ODOT has agreed to reimburse all expenses related to construction of a sewer line extension to serve the property. To account for that commitment a revision to the overall relocation agreement with ODOT has been requested.

#### II. Fiscal Impact:

None related to this action. Adequate budgeting will be required for the next fiscal year to facilitate the work, but all expenditures related to the project will be fully reimbursed by ODOT.

#### III. Recommended Action:

Adopt Resolution 02-2025 authorizing and directing the Chairman of the Board of Commissioners to execute a revised utility relocation agreement with the Oklahoma Department of Transportation for Municipal Authority owned sanitary sewer utilities for Project No. STP-260B(085)UT

### STATE OF OKLAHOMA DEPARTMENT OF TRANSPORTATION UTILITY RELOCATION AGREEMENT

OTILITY RELOCATION AGREEMENT	
PROJECT NO. STP-260B(085)UT JOB PIECE NO. 33365 UTILITIES 08 COUNTY Payne	
THIS AGREEMENT, made and entered into by and between the Department of Transportation acting for and on behalf of the State of Oklahoma, hereinafter called the "State" and Cushing Municipal Authority	
hereinafter called the "Utility Owner". (Company Name/Address)	_
WITNESS TO THAT	
WHEREAS, the State proposed to improve State Highway No. 18 and such improvements wi necessitate rearrangement of facilities by said Utility Owner (state scope and nature of work on reverse side), and	<b> </b>
WHEREAS, it is understood that if said project is to be financed in part from funds appropriated by the United States and expended under its regulations, that acceptance of work and procedure in general are subject to Federa Laws, Rules, Regulations, Orders, and Approvals applying to it as a Federal Project, and that costs for items entering into the improvement are reimbursable to the State in such amounts and forms as are proper and eligible for payment from Federal Funds. Reference is made to U.S. Department of Transportation, Code of Federa Regulations, Title 23, Parts 645A, 645B and 635.410, included in the Right-of-Way and Utilities Division Policies and Procedures, and	 
WHEREAS, it is understood that Title 69, O. S., § 1205 and 1403 each as amended, define the extent to which the State and the Utility Owner may be obligated in the costs of utility rearrangements, and the utility locations on all	; 

WHEREAS, the State reserves the right to cancel this Agreement at any time prior to the beginning of the adjustment or relocation of the facilities of this Utility Owner, and

highways are governed by Regulations and Policies adopted by the State Transportation Commission for the

rotection and maintenance of the highways, and for the safety of the highway users, and

WHEREAS, the State agrees to pay the Utility Owner for the proportionate share of the actual cost to prepare approved preliminary engineering plans and estimates at the State's request, if for any reason the State cancels this Agreement.

WHEREAS, this project has a federal action and hence requires compliance with all regulations and permits associated with it.

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the Utility Owner agrees:

1. To prepare a detailed estimate of the cost of work to be performed in accordance with the Department's Right-of-Way and Utilities Division Policies and Procedures, and such estimate of cost must be attached and be a part of this Agreement. The estimate will include: (1) The accounting system to be used in computing the relocation costs; (2) Credit for Expired Service Life setting forth therein the conditions on which such credit was determined or complete justification if the credit is not applicable; and; (3) Whether equipment costs are developed from experience records.

To include the costs for backfill and compaction of any trenches or holes within the right-of-way limits in the estimate of costs. The backfill will be placed and compacted to a density as directed by the Resident

Engineer/Manager, but will not be compacted to less than that of the adjacent soil.

- Any and all existing fencing that may require alteration during the utility relocation process shall be restored to its original condition during and after the time of utility relocation/rearrangement. It is the responsibility of the utility owner to ensure that the integrity of the fencing is not compromised at any time to an extent in which it prevents the fencing from performing its intended purpose.
  - 4. To prepare drawings showing the present, temporary and proposed location of its facilities with reference to the centerline of survey and/or the new or existing right-of-way lines using highway stationing in both plan and profile. Delineate details, including date of installation, class, and type of present facility. To comply with all applicable laws and regulations necessary to meet the Oklahoma Department of Environmental Quality (DEQ) requirements for pollution prevention, including discharges from storm water runoff on this project. Further, agrees to secure a Storm Water Permit from the DEQ, when required. It is agreed that the project plans and specifications, required schedules for accomplishing the temporary and permanent erosion control work, the storm water pollution prevention plans and the appropriate location map contained in the plans constitute the Storm Water Management Plan for the project previously described in the document. Agrees to have daily operational control of those activities, at the site, necessary to ensure compliance with plan requirements and permit conditions. Agrees to file the Notice of Intent (NOI), when required, for a general construction Oklahoma Pollutant Discharge Elimination System Permit with DEQ, which authorizes discharges of storm water associated with construction activity from the project site identified in this document. Such drawings will be attached to and become a part of this agreement.
  - To begin the process of adjustment or relocation of the facilities as shown on the plans and covered by this Agreement within a reasonable time, depending on the availability of material and work forces, but the actual time must not exceed thirty (30) days after receipt of notice from the state to do so, and in no event proceed with any adjustment or relocation work until such notice is received. To inform the State's Resident Engineer/Manager of: (1) The proposed starting date, prior to commencing work, and continually maintaining liaison with his/her office for the duration of the physical relocation; (2) The materials to be disposed of by scrapping, or sale, and to inform him/her of a time and place for his/her inspection thereof; (3) The date work is completed.
    - a. Buy America requirements are in effect only on federal projects as identified in this agreement. The utility owner is responsible for meeting the Buy America requirements specified in the ODOT Special Provision 106-5 for Buy America. After work is completed on the project, the Contractor must submit a notarized or electronically verified certification signed by the Contractor's authorized agent to the Engineer with the following information:
      - i. Buy America does not apply to assembly materials, attachment materials, housing encasements, or miscellaneous electronics, as defined below.

Assembly Materials (miscellaneous steel) – The collection of miscellaneous materials used to fasten, hold, attach, secure and/or assemble materials including but not limited to nuts, bolts, U-bolts, screws, washers, clips, fittings, sleeves, lifting hooks, mounting brackets, pole steps, clamps, brackets, mountings, straps, fasteners, hooks, pins, braces, disks, clevises, couplers, swivels, snaps, crimps, trunnions, dead-ends, compression swages and other miscellaneous materials used to assemble.

Attachment Materials – Items or material that is not an integral part or permanently attached to a pole, pipe or valve. Attachment materials include, but are not limited to cross arm bracing, insulators, avian equipment, miscellaneous hardware (as defined below), fittings, racks, ladders, encasements, guy wire, strand, conductors and tubing 0.75-inch or less in diameter.

Housing Encasements – Include cabinets, housings, boxes, vaults, covers, shelves and other items use to protect or house equipment or miscellaneous electronics.

Miscellaneous Electronics – Manufactured products or assemblies consisting of many components such as electronic equipment, routers, switches, radios, processors, power supplies, batteries, antennas, splice cases, pre-connected hubs and terminals, and cross-boxes.

- b. I hereby certify that all construction materials furnished to the Oklahoma Department of Transportation for the construction of the above referenced project that are required to be compliant with the Buy America Act have been produced in the United States of America as defined by §70912 "Definitions" of the Infrastructure and Investment Jobs Act (IIJA) (Public Law 117-58 Nov. 15, 2021). I further certify that all supporting documentation is on file and will be maintained for a period of three (3) years after project completion.
- c. I also hereby certify that all manufacturing processes of all products permanently incorporated into this Oklahoma Department of Transportation referenced project including protective coating are procured in the USA and are in accordance with 23 CFR 635.410
- d. The Utility Owner may maintain this documentation electronically or in paper format. The Department or FHWA may request to review the Utility Owner's supporting documentation to verify compliance with the Buy America provisions at any time. The Utility Owner shall provide the supporting documentation within five (5) business days of the request. The burden of proof to meet the Buy America provisions rests on the Utility Owner. If the supporting documentation does not undeniably demonstrate to the Department or FHWA that the manufactured products, or construction materials identified in the Certificates of Compliance were produced in the United States of America, then such manufactured products or construction materials will be considered unacceptable and must be replaced at no cost to the Department.
- 6. That no contract with any individual will be entered into without meeting the requirements of the Department's Right-of-Way and Utilities Division Policies and Procedures.
  - a. That contract work for technical services, professional services or other labor classifications involved in the rearrangement of the facility proposed under this Agreement will be supported by a statement to the effect that, "The Utility Company is not adequately staffed or equipped to perform such work with its own forces." Proper approval must be obtained in accordance with the Right-of-Way and Utilities Division Policies and Procedures prior to executing a contract with any outside firm or continuing contractor.
- 7. To submit to the State, withing ninety (90) days after satisfactory completion of rearrangement of their facilities under this Agreement, a claim using ODOT Claim Form 324A, with a certified statement of costs in accordance with the provisions of the aforementioned memorandums.

It is understood this Agreement does not change the rights or obligations of the Utility Owner as they exist in accordance with present State Law.

In consideration of the faithful performance by the Utility Owner of the foregoing, the State agrees:

To reimburse the Utility Owner for the actual costs of work completed, prorated on the basis of the following percentage or for the lump sum as proposed:

	(1) Utility Owner Share of Cost	0%	Estimated Utility Owner Cost	\$ <u>0.00</u>
	(2) State Share of Cost	100_%	Estimated State Cost  OR	\$ <u>2,307,414.00</u>
)	(3) Lump Sum Proposal		State Cost	\$

Nothing herein shall in any way be construed to relieve the Utility Owner from its liability, if any, for payment of a portion of these costs pursuant to 69 O.S. 2001 § 1205, as amended.

**IN WITNESS WHEREOF**, the parties hereto have caused this Utility Relocation Agreement to be executed by their duly authorized officers on the day and year last below written.

#### CUSHING MUNICIPAL AUTHORITY

#### SUBJECT: SH-18 SEWER UTILITY RELOCATION

I hereby certify this project will meet the requirements of Buy America in accordance with the Federal Regulations (23 USC § 313 and 23 CFR § 635.410) and ODOT Special Provision 106-5. Buy America requires all manufacturing processes, including the application of a coating, for all predominantly steel or iron products permanently incorporated into the project shall have occurred in the United States.

A product is considered to be manufactured "predominantly of steel and iron" if the product is at least 90% steel or iron content (measured by weight) when it is delivered to the job site for installation.

"All manufacturing processes" are defined as any process required to change the raw ore or scrap metal into the finished steel or iron product (smelting, rolling, extruding, bending, etc.).

"Coating" is defined as any process which protects or enhances the value of the steel or iron product to which the coating is applied (epoxy, galvanizing, painting, etc.).

Junderstand that I must comply with Buy America and provide all required documentation prior to incorporating any steel or iron products into the project. Any noncompliance will be justification for rejection of the steel and/or iron products or nonpayment of the work.

#### CUSHING MUNICIPAL AUTHORITY RESOLUTION NO. 02-2025

A RESOLUTION AUTHORIZING AND DIRECTING THE CHAIRMAN, BOARD OF TRUSTEES, TO EXECUTE A REVISED UTILITY RELOCATION AGREEMENTS WITH THE OKLAHOMA DEPARTMENT OF TRANSPORTATION FOR CMA OWNED SANITARY SEWER UTILITIES AS PART OF THE STATE HIGHWAY 18 IMPROVEMENT PROJECT (PROJECT NO. STP-260B(085)UT).

WHEREAS, the Cushing Municipal Authority ("CMA") is a public trust whose beneficiary is the City of Cushing, Oklahoma; and

WHEREAS, the Oklahoma Department of Transportation (ODOT) is planning major improvements and upgrades to State Highway 18 on the north side of Cushing; and

WHEREAS, as part of the Highway improvement project, certain water and sewer utilities will have to be relocated; and

WHEREAS, the CMA, as utility owner, will have to bear the initial costs of such relocation; and

WHEREAS, the ODOT will reimburse the CMA for 100 percent of the costs of such sewer utility relocation and 98.43% of the cost of the water utility relocation; and

WHEREAS, the Parties executed a Utility Relocation Agreements for the Hwy. 18 utility (water and sewer) relocation project; and

WHEREAS, there have been changes to the scope of work in the Utility Relocation Agreement (water and sewer) that necessitate executing a revised Agreement.

NOW THEREFORE, BET IT RESOLVED by the Board of Trustees of the Cushing Municipal Authority as follows:

The Chairman, Board of Trustees, his hereby authorized and directed to execute a revised Utility Relocation Agreements with ODOT for CMA-owned water and sewer utilities for Project No. STP-260B(085)UT.

This Resolution is PASSED and APPROVED this 18th day of February, 2025.

ATTEST:	B.J. Roberson, Chairman Board of Trustees
Jerrica Worthy, City Clerk	
Approved as to form:	
Jonathan Huseman, City Attorney	

TO THE HONORABLE CHAIRMAN AND MEMBERS OF THE CITY COMMISSION / TRUSTEES OF THE CUSHING MUNICIPAL AUTHORITY / TRUSTEES OF THE CUSHING HOSPITAL AUTHORITY

Date of Meeting:

February 18th, 2025

Agenda Item No:

Subject:

Utility Relocation Agreement with ODOT for Project No. STP-260B(085)UT relating to CMA Owned Electric Utilities and Road

improvements on North Little Ave.

Staff Resources:

Ryan Ochsner, City Manager

Derek Griffith, Assistant City Manager

Chad Grisier, PE; Professional Engineering Consultants (PEC)

#### I. Summary:

Over the past few months staff has worked with PEC and representatives for ODOT to develop plans for relocations for CMA owned electric utilities in conflict with roadway improvements from Main St. to Deeprock Rd. on Little Ave. The cost for design, engineering, management, and relocation are fully reimbursable under the agreement. The proposed agreement is identical to the ones already adopted by the Trustees in September 2024 for water and sanitary sewer utilities. The municipal authority will be responsible for fronting the cost of relocation but will submit for reimbursement throughout phases of the project once work begins. Mrs. Worthy is aware of the project(s) and funding will be accounted for in the upcoming budget. There has still been no timeline provided by ODOT for when work may begin but they have requested that we complete this portion of the project in preparation for the roadwork.

#### II. Fiscal Impact:

None related to this action.

Adequate budgeting will be required for the next fiscal year to facilitate the work, but all expenditures related to the project will be fully reimbursed by ODOT.

#### III. Recommended Action:

Adopt Resolution 03-2025 authorizing and directing the Chairman of the Board of Commissioners to execute utility relocation agreements with the Oklahoma Department of Transportation for Municipal Authority owned electric utilities for Project No. STP-260B(085)UT

## STATE OF OKLAHOMA DEPARTMENT OF TRANSPORTATION UTILITY RELOCATION AGREEMENT

	UTILITY RELOCATION AGREEMENT
Sec. 2	PROJECT NO. STP-260B(085)UT JOB PIECE NO. 33365 UTILITIES 08 COUNTY PAYNE
	THIS AGREEMENT, made and entered into by and between the Department of Transportation acting for and on behalf of the State of Oklahoma, hereinafter called the "State" and Cushing Municipal Authority
	hereinafter called the "Utility Owner". (Company Name/Address)
	WITNESS TO THAT
	WHEREAS, the State proposed to improvestate Highway No18 and such improvements will necessitate rearrangement of facilities by said Utility Owner (state scope and nature of work on reverse side), and
	WHEREAS, it is understood that if said project is to be financed in part from funds appropriated by the United States and expended under its regulations, that acceptance of work and procedure in general are subject to Federal Laws, Rules, Regulations, Orders, and Approvals applying to it as a Federal Project, and that costs for items entering into the improvement are reimbursable to the State in such amounts and forms as are proper and eligible for payment from Federal Funds. Reference is made to U.S. Department of Transportation, Code of Federal Regulations, Title 23, Parts 645A, 645B and 635.410, included in the Right-of-Way and Utilities Division Policies and Procedures, and
	WHEREAS, it is understood that Title 69. O. S., § 1205 and 1403 each as amended, define the extent to which the

WHEREAS, it is understood that Title 69, O. S., § 1205 and 1403 each as amended, define the extent to which the State and the Utility Owner may be obligated in the costs of utility rearrangements, and the utility locations on all highways are governed by Regulations and Policies adopted by the State Transportation Commission for the protection and maintenance of the highways, and for the safety of the highway users, and

WHEREAS, the State reserves the right to cancel this Agreement at any time prior to the beginning of the adjustment or relocation of the facilities of this Utility Owner, and

WHEREAS, the State agrees to pay the Utility Owner for the proportionate share of the actual cost to prepare approved preliminary engineering plans and estimates at the State's request, if for any reason the State cancels this Agreement.

WHEREAS, this project has a federal action and hence requires compliance with all regulations and permits associated with it.

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the Utility Owner agrees:

- To prepare a detailed estimate of the cost of work to be performed in accordance with the Department's Right-of-Way and Utilities Division Policies and Procedures, and such estimate of cost must be attached and be a part of this Agreement. The estimate will include: (1) The accounting system to be used in computing the relocation costs; (2) Credit for Expired Service Life setting forth therein the conditions on which such credit was determined or complete justification if the credit is not applicable; and; (3) Whether equipment costs are developed from experience records.
  - To include the costs for backfill and compaction of any trenches or holes within the right-of-way limits in the estimate of costs. The backfill will be placed and compacted to a density as directed by the Resident

Engineer/Manager, but will not be compacted to less than that of the adjacent soil.

- Any and all existing fencing that may require alteration during the utility relocation process shall be restored to its original condition during and after the time of utility relocation/rearrangement. It is the responsibility of the utility owner to ensure that the integrity of the fencing is not compromised at any time to an extent in which it prevents the fencing from performing its intended purpose.
  - 4. To prepare drawings showing the present, temporary and proposed location of its facilities with reference to the centerline of survey and/or the new or existing right-of-way lines using highway stationing in both plan and profile. Delineate details, including date of installation, class, and type of present facility. To comply with all applicable laws and regulations necessary to meet the Oklahoma Department of Environmental Quality (DEQ) requirements for pollution prevention, including discharges from storm water runoff on this project. Further, agrees to secure a Storm Water Permit from the DEQ, when required. It is agreed that the project plans and specifications, required schedules for accomplishing the temporary and permanent erosion control work, the storm water pollution prevention plans and the appropriate location map contained in the plans constitute the Storm Water Management Plan for the project previously described in the document. Agrees to have daily operational control of those activities, at the site, necessary to ensure compliance with plan requirements and permit conditions. Agrees to file the Notice of Intent (NOI), when required, for a general construction Oklahoma Pollutant Discharge Elimination System Permit with DEQ, which authorizes discharges of storm water associated with construction activity from the project site identified in this document. Such drawings will be attached to and become a part of this agreement.
  - To begin the process of adjustment or relocation of the facilities as shown on the plans and covered by this Agreement within a reasonable time, depending on the availability of material and work forces, but the actual time must not exceed thirty (30) days after receipt of notice from the state to do so, and in no event proceed with any adjustment or relocation work until such notice is received. To inform the State's Resident Engineer/Manager of: (1) The proposed starting date, prior to commencing work, and continually maintaining liaison with his/her office for the duration of the physical relocation; (2) The materials to be disposed of by scrapping, or sale, and to inform him/her of a time and place for his/her inspection thereof; (3) The date work is completed.
    - a. Buy America requirements are in effect only on federal projects as identified in this agreement. The utility owner is responsible for meeting the Buy America requirements specified in the ODOT Special Provision 106-5 for Buy America. After work is completed on the project, the Contractor must submit a notarized or electronically verified certification signed by the Contractor's authorized agent to the Engineer with the following information:
      - i. Buy America does not apply to assembly materials, attachment materials, housing encasements, or miscellaneous electronics, as defined below.

Assembly Materials (miscellaneous steel) – The collection of miscellaneous materials used to fasten, hold, attach, secure and/or assemble materials including but not limited to nuts, bolts, U-bolts, screws, washers, clips, fittings, sleeves, lifting hooks, mounting brackets, pole steps, clamps, brackets, mountings, straps, fasteners, hooks, pins, braces, disks, clevises, couplers, swivels, snaps, crimps, trunnions, dead-ends, compression swages and other miscellaneous materials used to assemble.

Attachment Materials – Items or material that is not an integral part or permanently attached to a pole, pipe or valve. Attachment materials include, but are not limited to cross arm bracing, insulators, avian equipment, miscellaneous hardware (as defined below), fittings, racks, ladders, encasements, guy wire, strand, conductors and tubing 0.75-inch or less in diameter.

Housing Encasements – Include cabinets, housings, boxes, vaults, covers, shelves and other items use to protect or house equipment or miscellaneous electronics.

Miscellaneous Electronics – Manufactured products or assemblies consisting of many components such as electronic equipment, routers, switches, radios, processors, power supplies, batteries, antennas, splice cases, pre-connected hubs and terminals, and cross-boxes.

- b. I hereby certify that all construction materials furnished to the Oklahoma Department of Transportation for the construction of the above referenced project that are required to be compliant with the Buy America Act have been produced in the United States of America as defined by §70912 "Definitions" of the Infrastructure and Investment Jobs Act (IIJA) (Public Law 117-58 Nov. 15, 2021). I further certify that all supporting documentation is on file and will be maintained for a period of three (3) years after project completion.
- c. I also hereby certify that all manufacturing processes of all products permanently incorporated into this Oklahoma Department of Transportation referenced project including protective coating are procured in the USA and are in accordance with 23 CFR 635.410
- d. The Utility Owner may maintain this documentation electronically or in paper format. The Department or FHWA may request to review the Utility Owner's supporting documentation to verify compliance with the Buy America provisions at any time. The Utility Owner shall provide the supporting documentation within five (5) business days of the request. The burden of proof to meet the Buy America provisions rests on the Utility Owner. If the supporting documentation does not undeniably demonstrate to the Department or FHWA that the manufactured products, or construction materials identified in the Certificates of Compliance were produced in the United States of America, then such manufactured products or construction materials will be considered unacceptable and must be replaced at no cost to the Department.
- 6. That no contract with any individual will be entered into without meeting the requirements of the Department's Right-of-Way and Utilities Division Policies and Procedures.
  - a. That contract work for technical services, professional services or other labor classifications involved in the rearrangement of the facility proposed under this Agreement will be supported by a statement to the effect that, "The Utility Company is not adequately staffed or equipped to perform such work with its own forces." Proper approval must be obtained in accordance with the Right-of-Way and Utilities Division Policies and Procedures prior to executing a contract with any outside firm or continuing contractor.
- 7. To submit to the State, withing ninety (90) days after satisfactory completion of rearrangement of their facilities under this Agreement, a claim using ODOT Claim Form 324A, with a certified statement of costs in accordance with the provisions of the aforementioned memorandums.

It is understood this Agreement does not change the rights or obligations of the Utility Owner as they exist in accordance with present State Law.

In consideration of the faithful performance by the Utility Owner of the foregoing, the State agrees:

To reimburse the Utility Owner for the actual costs of work completed, prorated on the basis of the following percentage or for the lump sum as proposed:

	(1) Utility Owner Share of Cost	0%	Estimated Utility Owner Cost	\$ <u>0</u>
	(2) State Share of Cost	<u>100</u> %	Estimated State Cost  OR	\$_1,200,500.00
)	(3) Lump Sum Proposal		State Cost	\$

#### **CUSHING MUNICIPAL AUTHORITY**

#### SUBJECT: SH-18 ELECTRICAL UTILITY RELOCATION

I hereby certify this project will meet the requirements of Buy America in accordance with the Federal Regulations (23 USC § 313 and 23 CFR § 635.410) and ODOT Special Provision 106-5. Buy America requires all manufacturing processes, including the application of a coating, for all predominantly steel or iron products permanently incorporated into the project shall have occurred in the United States.

A product is considered to be manufactured "predominantly of steel and iron" if the product is at least 90% steel or iron content (measured by weight) when it is delivered to the job site for installation.

"All manufacturing processes" are defined as any process required to change the raw ore or scrap metal into the finished steel or iron product (smelting, rolling, extruding, bending, etc.).

"Coating" is defined as any process which protects or enhances the value of the steel or iron product to which the coating is applied (epoxy, galvanizing, painting, etc.).

. understand that I must comply with Buy America and provide all required documentation prior to incorporating any steel or iron products into the project. Any noncompliance will be justification for rejection of the steel and/or iron products or nonpayment of the work.

#### CUSHING MUNICIPAL AUTHORITY RESOLUTION NO. 03-2025

A RESOLUTION AUTHORIZING AND DIRECTING THE CHAIRMAN, BOARD OF TRUSTEES, TO EXECUTE UTILITY RELOCATION AGREEMENTS WITH THE OKLAHOMA DEPARTMENT OF TRANSPORTATION FOR CMA OWNED ELECTRICAL UTILITIES AS PART OF THE STATE HIGHWAY 18 IMPROVEMENT PROJECT (PROJECT NO. STP-260B(085)UT).

WHEREAS, the Cushing Municipal Authority ("CMA") is a public trust whose beneficiary is the City of Cushing, Oklahoma; and

WHEREAS, the Oklahoma Department of Transportation (ODOT) is planning major improvements and upgrades to State Highway 18 on the north side of Cushing; and

WHEREAS, as part of the Highway improvement project, certain electrical utilities will have to be relocated; and

WHEREAS, the CMA, as utility owner, will have to bear the initial costs of such relocation; and

WHEREAS, the ODOT will reimburse the CMA for 100 percent of the costs of electrical utility relocation; and

WHEREAS, the Parties shall execute an Utility Relocation Agreement for the Hwy. 18 utility (electrical) relocation project.

NOW THEREFORE, BET IT RESOLVED by the Board of Trustees of the Cushing Municipal Authority as follows:

The Chairman, Board of Trustees, his hereby authorized and directed to execute Utility Relocation Agreements with ODOT for CMA-owned electrical utilities for Project No. STP-260B(085)UT.

This Resolution is PASSED and APPROVED this 18th day of February, 2025.

ATTEST:	B.J. Roberson, Chairman Board of Trustees
Jerrica Worthy, City Clerk	
Approved as to form:	
Jonathan Huseman, City Attorney
