

**VOLUNTARY STORM SHELTER REGISTRY
CUSHING, OKLAHOMA
NOT FOR PUBLICATION OR PUBLIC USE**

This form is used to indicate your intended safe area in the event of a disaster. Any information gathered will be entered into a database to be used by Emergency Management, and Fire Department Search and Rescue Personnel to aid in locating you after an Emergency. Your safe area can be an above ground safe room, below ground storm shelter, basement, or other area of the house determined to provide protection from a disaster. For more information on designing a safe area, the American Red Cross and FEMA have information on tornadoes safety available on their web site.

**THIS INFORMATION WILL ONLY BE USED BY EMERGENCY PERSONNEL
AND WILL NOT BE SHARED WITH THE PUBLIC!**
