

Stow Board of Health Permit Fee Schedule

Revised July 1, 2013

The Stow Board of Health will assess double permit fees to any person or company who fails to obtain a permit prior to the start of any project or work. Additionally, any person or company who fails to renew a permit within ten (10) days of the anniversary date will be assessed double permit fees. This Board notifies permit holders in advance of the anniversary date when renewals are due.
